

# Model Air Games 2021.

Skinderholm flyveplads Herning.

Whitsun 21-24. maj.

The Elite competition group within Modelflyvning Danmark hereby invites every interested model aviator to participate in Model Air Games 2021. For the first time in Denmark, we plan to fly and compete in most of the present FIA-classes. Being an active competitor, a part time competitor or just curious model pilot, this is an event for you!

Competition will be arranged in the following classes at a minimum of 3 competitors:

F1 (Freeflight)-WC and Nationals.

F2 (Control-line)- Multiple WC.

F3A (Aerobatics)

IMAC (Scale aerobatics)

F3B (Gliders)

F3F (Slope gliders)

F3K (Hand launched gliders, DLG),

F3C (Helicopter)

F5B (Hotliner)

F5J (Gliders with electric motor)

F9 (Drone racing)

Multiple World Cups- and open international competitions. International pilots are more than welcome at Model Air Games 2021.

Saturday, prior to the biggest ever “Danish-Model-aviator-social-dinner”, there will be a joint competition for all participants. This will be a “One-class-competition” and the model for this is included in the entry fee.

<https://www.facebook.com/groups/547588379230342/>

Individual competitions are run in different time-slots on different locations on the site. This gives everyone a great opportunity to witness competition in other classes.

**Practical information:**

**Full 4 day participation:**

**Model Air Games fee: €50. (Some classes needs extra fee)**

**Camping w/o power hook up: €15**

**Camping w power hook up: €45**

**Joint dinner saturday: €20**

**Model Air Games fee includes: Expenses for Power, water, toilet and bath facilities, waste removal and site rent.**

**1 Model Air Games T-shirt and 1 Rookie model airplane to be used in the joint competition.**

**F1 classes are run at Kongenshus hede, 35 km away from Herning. Due to flying space needed.**

**Covid-19 information!**

**No one knows what tomorrow brings! Due to the current Covid-19 situation it is impossible to guarantee this event to be held as planned. The Model Air Games work group has chosen a positive attitude and we crack on planning the event . Deadline for “pulling the plug” is set at 1/3-2021 and all registered competitors will receive information after that date.**
